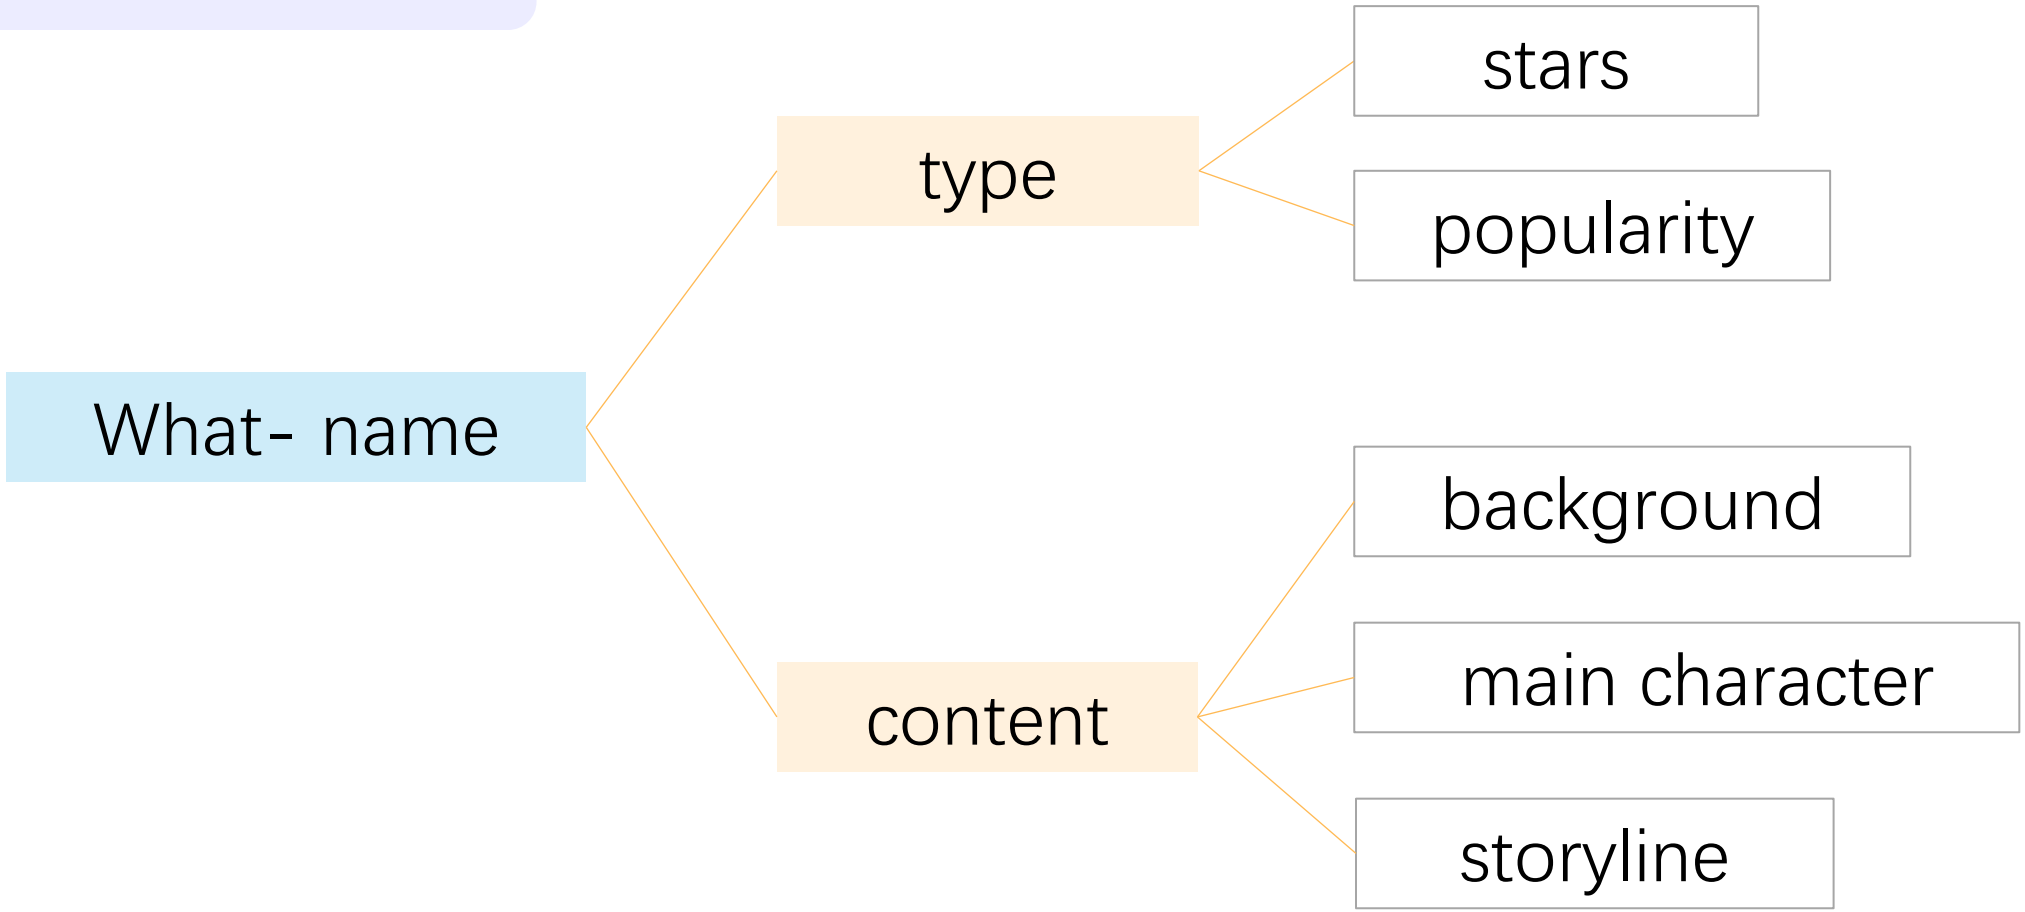
- Memory 回顾过去
  A brief experience
- Reasons 解释原因
  2 aspects
  Add details

1.具体介绍



What- name
type
stars
popularity
content
background
main character
storyline

1.具体介绍

- My all-time favorite movie should be ***King Kong,*** a spectacular adventure film released in 2005. This blockbuster is starred by a strong casting, and up till now it's still regarded as a must-see among American movies.
- The story follows a filming team who took a trip to a mysterious island where they encountered a giant gorilla. Unexpectedly, the gorilla Kong saved and protected a stunning actress, then they developed a deep friendship. Later, these greedy people captured Kong and brought it back to New York, which just ended in tragedy.

2.回顾过去

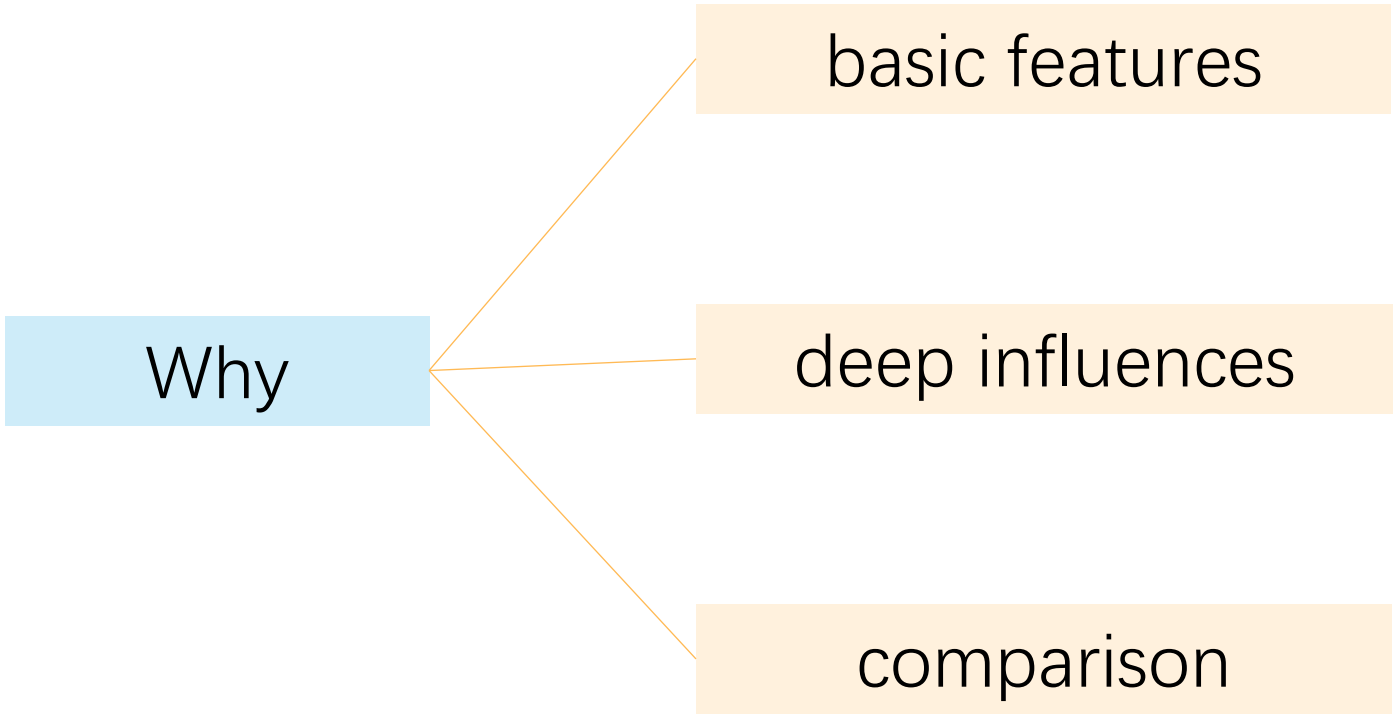
When + Who

- experience - 时地人事
- cause
  - why I watched it:
    - high rating
    - raving comments
    - exciting recommendation
    - follow this serial

2.回顾过去

- Back in 2016, I first watched it online with my friend, because we are partial to anything that involves monsters and dinosaurs.

3.原因部分



3.原因部分

-its own brand of humor

-a mix of various elements

-successful role designs

-mind-blowing visual effects

soul-touching true love-

melodious background music-

is a tearjerker-

has an inspirational power-

3.原因部分

- What fascinates me the most about this movie is the mind-blowing visual effects. I feel that the fighting scenes still hold up today, not weaker than new monster movies.
- Plus, I am also impressed by its emotional impact. I was moved by Kong's loyalty and affection to a human, which made me reflect on how humans can be cruel to nature.
